

Kids Learn to Sail!

Golden Isles Community Sailing Center

2025 Summer Sailing Camps

Beginner Opti 1 Camp

Beginner sailing for 8-12 year-olds. The class starts at the dock where kids become acquainted with the Optimist (“Opti”) sailboat and safety rules. Sailors are introduced to rigging, steering and sail controls, and instructed in points of sail. Then they move to the water where they learn to tack and gybe and sail around a course. Younger children (8-10) with no sailing experience should enroll in a morning camp, when the wind is usually lighter. Afternoon camps usually have more wind and are better suited for older children (10 and up) or younger ones with previous sailing experience.

One-week camps, Monday thru Friday, 5 morning camps and 3 afternoon camps are available
